This Agreement will be automatically renewed for successive periods of five (5) years unless either party shall give notice in writing to the other not less than one (1) month nor more than three (3) months prior to the initial or renewed expiration date.
9. That this Agreement shall supersede all previous street maintenance agreements, except those agreements for traffic control devices, safety illumination and roadside development.
10. That all work performed under the provisions of this Agreement shall be performed in a manner satisfactory to the STATE.
